Phantastic Phils!

What do you expect to see when you visit
Punxsutawney, Pennsylvania? Groundhogs, of
course! Specifically, a famous groundhog named
Punxsutawney Phil™.

Now appearing throughout the Weather Capital of
the World ... colorful, whimsical 6-foot-tall
fiberglass groundhogs, otherwise known as
Phantastic Phils!

One by one these larger-than-life versions
of Punxsutawney Phil will appear throughout
the community - each an individual work of art
created by artists from across the state.

The first Phantastic Phil named "Phillage" (shown
above) made its debut on Groundhog Day 2004.
This Phil is the only one to sport a top hat, part of
the traditional dress of the caretakers of
Punxsutawney Phil, the Groundhog Club Inner
Circle. The Groundhog Club sponsored this Phil,
which was painted by local artist Kelly Porada.
